Dear Ladies and Gentlemen:

As required by R.C. §1901.14(A)(4), the Annual Report for 2015 is hereby submitted by the Rocky River Municipal Court. The content of this report is based on data assembled and tabulated by Clerk of Court Deborah F. Comery. The following data is noteworthy for the year 2015:

1. There were 13,005 cases filed in criminal/traffic consisting of 9,527 traffic, 451 OVI/BAC, 2,151 criminal misdemeanors, 430 felonies and 446 parking violations. Criminal/traffic case filings decreased by 730 cases from 2014.

There were 2,126 cases filed in civil and small claims consisting of 1,368 civil, 750 small claims, 7 rent escrow and 1 trusteeship. The total civil case filings decreased by 265 cases from 2014.

The court experienced a 5% decrease in criminal / traffic cases and an 11% decrease in civil / small claims cases during 2015. The court has no control over the number of criminal / traffic or civil / small claims cases filed each year.

2. The total amount of court costs disbursed to the City of Rocky River from all sources was \$2,366,962.43. Of these monies, \$1,616,723.16 was designated for the Court's operational revenue, along with an unclaimed funds distribution from the City of Rocky River of \$79,703.37. These funds were used against operational Court expenditures of \$1,623,089.67. \$201,220.56 was placed in the Computer Fund to maintain and enhance the Court's computer system. \$291,657.04 was placed in the Special Projects Fund to continue to pay down the principal and interest debt of the Courthouse building as well as expensing the salary and benefits of the Court's Magistrates. \$241,654.17 was placed in the Court's Probation Services Fund to assist in the operations of the Community Control Department. \$15,707.50 was placed in the Court's Indigent Drivers Alcohol Treatment (IDAT) Fund to help with indigent offenders' court ordered alcohol assessment and treatment.

RRMC completed its 19th consecutive year without a deficit. An immense thank you to all court staff for their diligence to duty to keep the services provided to all who come to this Court at the highest level of excellence.

3. A portion of the fine money collected in 2015 was placed in two funds established by the State of Ohio and governed by the Ohio Revised Code and are to be utilized by the Court in the monitoring and

treatment of indigent drug and alcohol offenders. \$9,983.50 was placed in the IDAT Fund in addition to the cost contribution to the IDAT Fund shown above. \$17,236.00 was placed in the Court's Indigent Drivers Interlock and Alcohol Monitoring (IDIAM) Fund to cover the monitoring of indigent offenders.

The Court continues to utilize its video arraignment capabilities to include any video equipped facility within the State of Ohio and beyond. This process saves jurisdictional police departments' time and transportation expenses along with providing safety benefits to both public and staff within the Courthouse.

Since 2003, our website, www.rrcourt.net, has become an integral part of the Court's public outreach. **eFiling**, **ePayments**, public records access, weekly court dockets, local court rules, jury service information, probation information, and these Annual Reports are among the many items found on our website. We continue to accept **ePayments** primarily for those defendants who are allowed to waive their traffic ticket or who choose to pay their fines and costs after their case has been adjudicated. Most of our court documents, both current and historical, continue to be imaged and are available for viewing on the website.

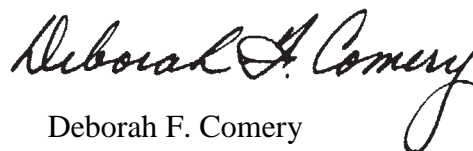

RRMC unveiled its newly revamped **eFiling** system in June, 2014. This new software allows for complete control by the filer to submit **eDocuments** for filing as well as the ability to submit their filing fee payment online. Beginning January 1, 2015, all attorneys are now utilizing our **eFiling** functionality along with a number of pro se filers. Among the upgrades is direct population of data fields within our case management system as well as online payments of civil filings through PayPal. Users can self-register and be filing within a matter of minutes.

We have been using **FedEx** Signature Service now for over a year and our success rate for initial successful service has skyrocketed! **FedEx** has provided a faster and much more reliable method to serve court documents to the parties of a case. Where we had approximately 65% successful first service with the USPS Certified Mail, we have now realized an approximately 93% with **FedEx**. The savings realized include the near elimination of repeated service attempts and frequently lost parcels. **FedEx** service information is downloaded automatically to the individual case docket within a maximum of 14 days versus an average of 30-45 days with Certified Mail (often beyond the required time frame). Visitors to a case file can track, in almost real time, the progress of all **FedEx** deliveries.

The Clerk's Office continues to provide space for a deputy clerk from the Cuyahoga County Probate Court's Marriage License Bureau. One day a month, residents of Cuyahoga County may apply for a marriage license at Rocky River Municipal Court without having to travel to the downtown Court facility. After participating in this pilot program for three years now, we are one of the busiest locations and have found this to be a successful cooperative effort.

Again, I want to thank the staff of the Clerk's Office for their amazing work and exceptional dedication again this year. I would also like to thank Administrative / Presiding Judge Donna Congeni Fitzsimmons and Judge Brian F. Hagan and their staffs for their help and guidance during the year. Grateful appreciation is also extended to Rocky River Mayor Pamela E. Bobst, Rocky River City Council, Law Director Andrew Bemer and all the Jurisdictional Police Officers and Officials of the Rocky River Court District for their kind assistance.

Respectfully submitted,

ROCKY RIVER MUNICIPAL COURT

2015 COMMUNITY CONTROL DEPARTMENT OVERVIEW

The Rocky River Municipal Court has been using the Ohio Risk Assessment for most cases over the past 3 years. Recently, the Ohio Risk Assessment has expanded to use the ORAS-MST (a misdemeanor specific screening tool). The Ohio Risk Assessment has been found to be a valid predictor of misdemeanor recidivism. This screening tool helps our judges, magistrates and community control officers use resources for higher risk offenders versus lower risk offenders. In 2015, out of a total of 596 assessments completed, there were 251 low risk offenders, 272 moderate risk offenders, and 73 high risk offenders.

Rocky River Municipal Court has been part the Greater Cleveland Drug Court Suburban Expansion Grant for the past 3 years. In 2015, we referred 24 offenders to the program, had 15 graduates and many pending. The Greater Cleveland Drug Court is committed to assist with intervention, treatment and rehabilitation of non-violent drug/alcohol offenders. Also, this year the grant has expanded to utilize medication assisted treatment.

The Oriana Day program has been in place for referrals since November of 2013. In 2015 we referred 22 offenders to the program. The Oriana Day Program provides structured, non-residential community corrections programming.

The Community Control Department provides a variety of services to the court and the community. The Department provides assistance to offenders and diversion participants by obtaining services including community mental health, substance abuse, counseling and intervention programs. The Community Control Department monitors offenders to reduce crime and protect the public.
